

ELLERE

DESIGNER INSPIRED FIRES

Welcome to **Ellere**

Ellere, the designer inspired electric fire range, radiates a realistic LED flame providing your space with the perfect complimentary atmosphere. Featuring five brightness settings and over 120 fuel bed and flame colour combination options along with speed and settings including an adjustable thermostat, an Ellere electric fire will transform a space to designer living status.

Each product comes with three different fitting options all included, giving the choice for front facing one side view, two sided or three-sided flame viewing. The seven day programmable timer and over heat safety cut-out provide convenience for you to enjoy your new designer inspired electric fire. Choose from four sizing options and begin your interior journey today with Ellere.
