Premier Marble

Welcome to the 2026/27 Collection

At Premier Marble Fireplaces, our work is defined by a quiet commitment to material and craft. Stone lies at the heart of everything we do, selected and finished with care to ensure enduring quality and refined character.

As a leading manufacturer of fine stone fireplaces, we bring together traditional craftsmanship and considered innovation. Our signature Aegean Stone has been developed to reflect the natural beauty of limestone, while offering exceptional durability, consistency, and ease of maintenance. It sits alongside a palette of distinguished finishes, including French Stone, Honed Carrara, Ivory Pearl, and White Pearl—each chosen to complement both classical and contemporary interiors.

Our collection comprises a wide range of thoughtfully designed fireplaces, available to order, as well as a fully bespoke service. This allows each piece to be tailored with precision, meeting the specific requirements of individual spaces and projects.

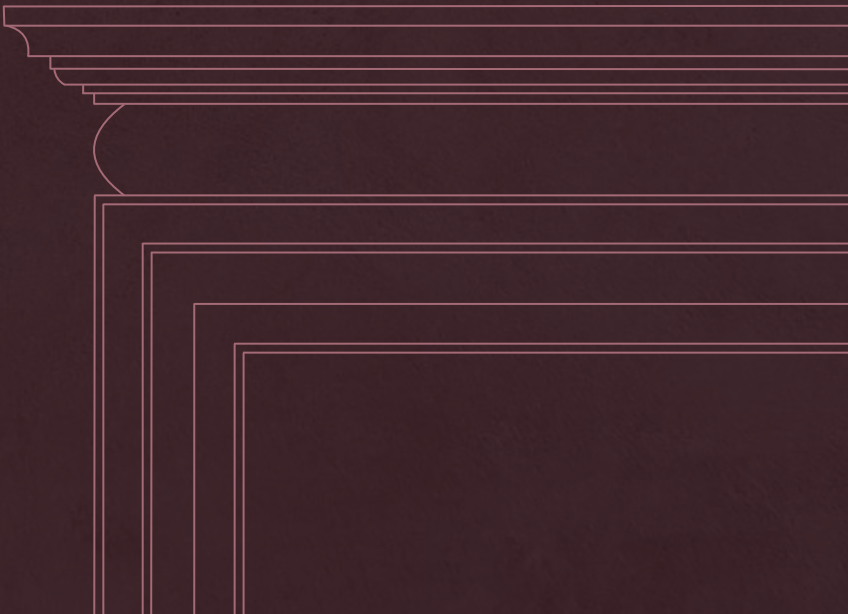

Working closely with our showroom partners, we remain dedicated to delivering fireplaces of lasting value—pieces defined by proportion, material integrity, and timeless design.

Inspired by Natural Stones

Select from our curated collection of five exquisite marbles, each crafted with exceptional precision to help you discover the ideal surround and finish that will enhance and elevate the interior of your home

Aegean Stone

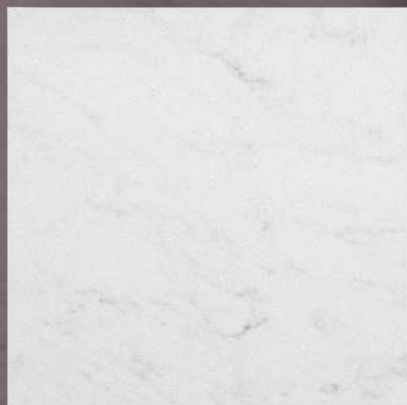

Aegean Stone captures the natural elegance of Aegean limestone, now reimagined for modern living. With its soft tones and authentic texture, Aegean Stone mirrors the look of traditional limestone to perfection. But unlike its natural counterpart, it's stain-resistant, colour-consistent, highly durable, and low-maintenance, making it the ideal choice for today's interiors. Aegean Stone allows for seamless design with dependable colour consistency. Its elegant, timeless look makes it a perfect fit for both contemporary and classic spaces.

French Stone

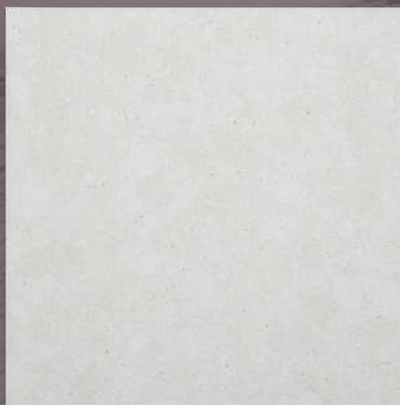

French Stone, with its refined blend of white and ivory tones, offers a timeless and sophisticated option for any space. This versatile material seamlessly complements both bold, statement-making surrounds and enhances the elegance of clean, minimalist fireplace designs. Whether you're looking to create a striking focal point or a more subtle, serene atmosphere, the French Stone effortlessly elevates the aesthetic of your fireplace, bringing a sense of luxury and harmony to your home.

Honed Carrara

Honed Carrara is a radiant white marble, characterized by its bright white surface and soft, subtle grey vein that weaves delicately throughout the stone. The white base paired with grey adds depth and sophistication to the stone offering an elegant and luxurious centrepiece in your home. The Honed Carrara will bring a sense of grandeur to any room, making it the perfect choice if you are seeking to infuse your home with timeless charm and refinement.

White Pearl

Our traditional white marble, with its delicate, subtle flecks, is a timeless addition to any home, offering a touch of refined elegance and understated splendour. Its natural beauty effortlessly complements a variety of design styles, whether you opt for one of our bold, intricately detailed surrounds that make a striking statement or choose a more minimalist, clean-lined design for a serene, sophisticated atmosphere.

Ivory Pearl

A classic marble, our Ivory Pearl will bring warmth to your home with its beautiful textured surface and subtle flecks offering a traditional charm. This versatile marble will ensure that no matter the style of fireplace you select whether traditional or contemporary, it will enhance your space with its enduring beauty, and warmth giving your home a luxurious aesthetic.

The Palermo

A refined and timeless design, The Palermo's elegant proportions and clean detailing create a sophisticated focal point, suited to both classic and contemporary interiors.

This fireplace is shown crafted in Aegean Stone- a breakthrough material that combines the timeless look of natural limestone with the benefits of modern innovation. With soft tones, authentic texture, and dependable colour consistency, Aegean Stone offers elegance with durability, stain resistance, and low maintenance.

A lasting beauty, making this fireplace a resilient and enduring centrepiece for the home.

Aegean Stone

The Leonardo

The Leonardo is a study in quiet elegance, defined by its softly contoured form and harmonious proportions. Its smooth, pale surface carries a subtle texture, evoking the timeless character of natural limestone.

The gently moulded frame lends a sense of softness and refinement, drawing the eye toward the warmth of the fire within. Understated yet distinctive, the Leonardo sits effortlessly in both classic and contemporary settings.

Designed for both beauty and longevity, it offers a durable and resilient finish, ensuring it remains a graceful focal point in the home for years to come.

French Stone

The De Gualle

A bold and commanding design, this fireplace draws inspiration from grand architectural traditions, with richly sculpted forms and confident detailing. The deep, tiered shelf and intricately paneled frieze create a strong horizontal emphasis, while the sweeping, fluted legs introduce a sense of movement and elegance.

The generous proportions give the piece a stately presence, making it a natural focal point within the room. Its crisp, light finish enhances the depth of the carved details, allowing light and shadow to play across the surface.

Both decorative and enduring, this fireplace combines striking craftsmanship with timeless appeal—designed to bring character, balance, and quiet grandeur to any interior.

Honed Carrara

The Traditional Bolection

The Traditional Bolection is a classic and enduring design, defined by its distinctive moulded frame and confident architectural presence. The bold, layered profile gently projects forward, creating depth and shadow that enhance its timeless character.

Its clean proportions and subtle detailing allow it to frame the fire with quiet authority, while the softened edges introduce a sense of warmth and refinement. Rooted in traditional craftsmanship, it offers a versatile aesthetic that complements both period and contemporary interiors.

Elegant and enduring, the Traditional Bolection provides a striking yet understated focal point, bringing depth, balance, and lasting style to the home.

Aegean Stone

The Classic Bolection

The Classic Bolection is a refined interpretation of a timeless design, echoing the enduring appeal of traditional bolection moulding with a lighter, more contemporary touch. Its gently projecting frame creates a subtle sense of depth, enhanced by soft shadow lines that lend quiet definition to the form.

Balanced in proportion and restrained in detail, it frames the fire with elegance and clarity, allowing the natural beauty of the design to take precedence. The softened edges and smooth finish introduce a sense of warmth, making it a versatile choice for a wide range of interiors.

Understated yet distinctive, the Classic Bolection offers a timeless focal point, combining classic character with effortless sophistication.

The Lyon

The Lyon is a graceful interpretation of classical design, defined by its balanced proportions and gently sculpted detailing. The softened lines of the legs and the subtle layering of the shelf create a sense of depth and refinement, lending the piece a quiet architectural presence.

Elegant yet understated, it frames the fire with poise, allowing the warmth within to take centre stage. Its light, smooth finish enhances the clarity of form, making it equally suited to both traditional and contemporary interiors.

Timeless in character, the Lyon offers a composed and enduring focal point, designed to bring warmth and harmony to the home.

French Stone

The Lyonette

The Lyonette is a graceful and compact design, characterised by its softly contoured legs and balanced proportions.

The gentle curves introduce a sense of movement and refinement, while the clean lines of the shelf provide structure and poise. Elegant yet understated, it frames the fire with quiet confidence, allowing the warmth within to take centre stage. Its smooth, light finish enhances the clarity of form, making it a versatile choice for both traditional and contemporary interiors.

Refined in its simplicity, the Lyonette offers a timeless focal point, bringing warmth and subtle sophistication to the home.

French Stone

The Parnell

The Parnell is a refined and understated design, characterised by its strong, clean lines and confident architectural form. The broad frieze and gently stepped shelf create a sense of depth and structure, while the simple, well-proportioned legs frame the opening with quiet precision.

Its minimalist detailing allows the beauty of the form to speak for itself, offering a timeless aesthetic that sits comfortably in both classic and contemporary interiors.

Elegant in its simplicity, the Parnell is designed to bring enduring style and quiet sophistication to the home.

The Van Gogh

The Van Gogh is a characterful and elegant design, distinguished by its softly sculpted legs and gently curved opening. The flowing lines and subtle detailing lend a sense of movement and artistry, creating a harmonious balance between strength and refinement.

The arched interior enhances the visual depth of the fireplace, drawing the eye toward the fire and adding a touch of classic charm. Its generous proportions and composed form allow it to stand confidently as a focal point within the room.

Timeless in its appeal, the Van Gogh brings warmth, character, and quiet sophistication to both traditional and contemporary interiors.

Ivory Pearl

The Vannette

The Vannette Surround is a refined expression of simplicity, defined by its clean, confident lines and balanced proportions.

Its understated design allows it to integrate effortlessly into both traditional and contemporary interiors, offering a timeless and versatile aesthetic. The smooth, light finish enhances its clarity of form, creating a calm and composed focal point.

Elegant in its restraint, the Vannette Surround brings enduring style and quiet sophistication to the heart of the home.

White Pearl

The New Durrow

The New Durrow is a confident and well-proportioned design, defined by its strong architectural lines and understated detailing.

The generous upper section and gently stepped shelf lend a sense of depth, while the solid, square legs provide balance and stability to the composition. Its clean and versatile form allows it to sit comfortably in both traditional and contemporary interiors, offering a timeless and adaptable aesthetic. The smooth, light finish enhances its clarity, creating a calm and structured focal point around the fire.

Subtle yet assured, the New Durrow brings enduring style and quiet presence to the heart of the home.

Honed Carrara

The Ariel Corbel

The Ariel Corbel is a refined and elegant design, distinguished by its gently shaped corbels and balanced proportions. The softly contoured supports lend a sense of structure and grace, while the clean lines of the surround create a composed and timeless aesthetic.

Its understated detailing allows the form to speak with quiet confidence, framing the fire beautifully and drawing focus to the warmth within. The smooth, light finish enhances its architectural clarity, making it equally at home in both classic and contemporary interiors.

Graceful and enduring, the Ariel Corbel offers a sophisticated focal point, bringing warmth and refinement to the heart of the home.

White Pearl

The Ariel

The Ariel is a study in simplicity and proportion, defined by its clean lines and confident architectural form.

The gently stepped legs and refined shelf create a sense of structure and balance, lending the piece a quiet, understated presence. Free from excessive ornamentation, its design allows the natural elegance of the form to take centre stage, framing the fire with clarity and poise. The smooth, light finish enhances its versatility, making it equally suited to both traditional and contemporary interiors.

Timeless and composed, the Ariel offers a refined focal point, bringing warmth and enduring style to the home.

Aegean Stone

The Renoir

The Reinor is a confident and understated design, defined by its clean lines and well-balanced proportions.

The simple, structured form of the legs and shelf creates a composed architectural presence, allowing the fireplace to sit effortlessly within a variety of interiors. Free from unnecessary ornamentation, its clarity of design draws the eye naturally toward the fire, framing it with quiet precision. The smooth, light finish enhances its versatility, making it equally suited to both traditional and contemporary settings.

Timeless in its simplicity, the Reinor offers a refined focal point, bringing warmth and enduring style to the heart of the home.

Aegean Stone

The Melbourne Grande

A refined and versatile design, this fireplace is distinguished by its clean lines and gently moulded detailing. The elegant corbels lend a sense of structure and balance, supporting a well-proportioned shelf that frames the fire with quiet confidence.

Its understated form allows it to sit comfortably in both traditional and contemporary interiors, offering a timeless aesthetic that complements a wide range of settings. The soft, light finish enhances its architectural clarity, creating a calm and inviting focal point.

Crafted with durability in mind, this piece combines enduring style with lasting performance, making it a natural centrepiece for the home.

Premier Marble
